Spot the Difference

لعبة ركنر

01
BD 400.00

DELIVERABLES

- Two high-fidelity 3D scenes of a Bahrain landmark displayed side by side
- One hidden difference between scenes — player must identify it before time expires
- Five Bahrain landmarks: Al-Fateh Mosque, Bahrain Fort, Bahrain Gate, Formula 1 Circuit, King Fahd Causeway
- Easy mode: 60-second timer, 100 points per round
- Hard mode: 45-second timer, 150 points per round
- Immediate visual and score feedback on correct identification
- Educational landmark description shown after each round
- Persistent score tracking across sessions
- Fully bilingual Arabic and English with RTL support
- Optimised for touchscreen kiosk, tablet and desktop
- **All photography and visual assets designed and supplied by GulfMarcom**

National Values Memory

بطاقات القيم الوطنية

02
BD 400.00

DELIVERABLES

- Interactive memory matching game featuring Bahrain's six national values
- Cards revealed face-up for 5 seconds, then flipped — player matches pairs from memory
- Eight national value pairs displayed across a 4 × 4 grid — 16 cards total
- 60-second countdown timer with live pair counter and cumulative score
- Live session leaderboard showing top players, scores and completion times
- Animated card flip with immediate match confirmation and mismatch reset
- Each card displays a GulfMarcom-designed image with Arabic and English label
- Cards revealed for 5 seconds at game start — memorise before play begins
- Score accumulation across rounds; leaderboard updated in real time
- Fully bilingual Arabic and English with RTL support
- Card imagery designed and supplied by GulfMarcom

Landmark Mapping

اكتشف معالم بحرنا

03
BD 400.00

DELIVERABLES

- Realistic interactive 3D map of Bahrain — accurate coastline, islands, causeway and terrain
- Full 3D perspective with atmospheric depth — ocean, lighting, shadow and coordinate overlay
- Player drags landmark chips from the panel and drops onto the geographically correct position
- Correct placements lock in gold with a glowing pin; incorrect placements flash and return
- Easy mode: 3 landmarks, 100 points each
- Hard mode: 5 landmarks, 150 points each
- 120-second countdown timer
- Five landmarks: Bahrain Fort, Al-Fateh Mosque, Bahrain Gate, Formula 1 Circuit, King Fahd Causeway
- Educational landmark fact revealed on each correct placement
- Fully bilingual Arabic and English with RTL support
